Welcome to the worlds largest website to find inmates using our free Inmate Search and Locator tool. Jailguide.com was designed and built to answer all questions about how to find prison Inmates and locate prisons. We have built the largest database encompassing all Department of Corrections (DOC), Federal Bureau of Prisons (FBOP), state prisons, county jails, work camps, honor farms and boot camps.

Not only did we list prisons in the United States but we also listed prisons in Canada, the Caribbean, Mexico, Europe, Africa, Australia and Asia!

How frustrating it was when we tried to find an inmate only to see that the prison link was out of date and didn't work. Not to mention trying to find out information about a prison inmate in another country! So we began to build the largest database of prisons in the Internet and also how to search for prisons and find out everything you need to know about visiting an Inmate.
